

Малку поинакви модели од досега видените. Сигурно сите како мали сте правеле авиончиња од хартија, па на повеќе ќе најдете неколку различни начини да бидете што покреативни. Триковите и советите се добиени од: Ken Blackburn, рекордер во Гинис за најдолг лет на хартиен авион, Andy Chipling, еден од најголемите професионалци во правење хартиени авиони во Велика Британија и творец на законите за летање на хартиени авиони за Гинисовата книга на рекорди, Mark Bolitho, експерт во виткање на хартија и Frank Jaeger, инженер во Airbus.

8) Locked

Иако Батман и Супермен се добри примери на хартиени авиони, не можете да ги направите и

Прекорасни авиони да ги видите на следниот линк: www.neres.com/0,,00.html
